

March 5th, A Fireproof Life

What were some things from last Sunday's message that resonated with you?

Was there anything you wrestled with?

Read Romans 8:28

“We know that in all things God works for the good of those who love him, who have been called according to his purpose.”

Does this verse mean God will spare Christians from suffering? Where does that idea come from?

How do you see God working things for good in Gene's life?

Do you find it easier to ask why God allows bad things happen to you, or to thank Him for being with you and bringing you through them?

What does it mean to be “fireproof”?

What are some things in our life that are “fireproof” e.g. that cannot be taken by circumstances?

What is the difference between everything being good and God working in everything for good?

Is every bad thing that happens to us a lesson that God wants to teach us?

How do you think an outward focus on others affects your view of what you are going through in your own life?

When difficult times come, what are some ways you can look back on God's past faithfulness?
