

September 24rd, Hearing God? Part 2

What were some things from this message that resonated with you?

Was there anything you wrestled with?

Most of the things we need to do, according to the Bible, we can't do ourselves because they are relational in nature. What are some of these things?

Why do you think Jesus said we are sheep?

Do you agree that everyone is following something or someone?

Read [Romans 12:4-5](#)

Just as there are many parts to our bodies, so it is with Christ's body. We are all parts of it, and it takes every one of us to make it complete, for we each have different work to do. So we belong to each other, and each needs all the others.

Can you think of a time when someone encouraged you in a small group or community group?

There is no self-study discipleship plan. We are called to be part of one body. What does it mean to embrace the concept of community the way Jesus intends?

Do you feel like it's hard to hear God because of all the voices around you?

How does being around people build our character and help us to be more like Jesus?
