

## February 13th, “Who Cares?”

What were some things from last Sunday’s message that resonated with you?  
Was there anything you wrestled with?

What are some pieces of evidence that we were designed for relationships?

What are some myths people believe about marriage?  
What are some myths people believe about singleness?

How is God’s love different from human love?

### **Read 1 Corinthians 13:4-7**

4 Love is patient, love is kind, it is not envious. Love does not brag, it is not puffed up. 5 It is not rude, it is not self-serving, it is not easily angered or resentful. 6 It is not glad about injustice, but rejoices in the truth. 7 It bears all things, believes all things, hopes all things, endures all things.

Which of these are you best at doing, and which of these do you need to grow in the most?

How can giving others the benefit of the doubt be an act of love?  
Is it ever unwise to give others the benefit of the doubt?

What were your thoughts about the statistics Gabe shared?

What were the three questions Gabe said to ask when someone you are close to hurts you?

Am I assuming they don’t care about me?  
What have they done in the past to show they care?  
What is another explanation for their action besides “They were trying to hurt me”?

How can asking these questions help you to believe the best about others?
