DISCUSSION QUESTIONS

Question #1

What did you resonate with?

Question #2

Was there anything you wrestled with?

Question #3

Read Psalm 40:5 below. Do you think about the plans God has for your life often? How have you been prepared by God in the past for things you're doing in your life now?

Psalm 5, GNT

“You have done many things for us, O Lord our God; there is no one like you! You have made many wonderful plans for us. I could never speak of them all– their number is so great!”

Question #4

We occupy this realm for a relatively short time and then we enter another realm that God has prepared for us. Do you think the things we go through and the choices we make help us to get closer or further from God’s will? How does keeping our minds on heavenly things help us?

Question #5

A mortal body has a lot of restrictions and limitations. Why do you think God gave us these bodies? Do you think we will have bodies in heaven?

Question #6

We laugh at the absurdity of our natural bodies, which makes us wonder if we weren’t meant to have them forever. What do you make of these mysteries of life?

Question #7

Not only has God made us for paradise, but he is always working on us, preparing us for heaven. Why do we need to be prepared for heaven?

Question #8

We are to be “in the world and not of the world.” What does this mean? What does it mean to “let this world find it’s place in you?” What are some reasons a person might lose sight of God?

Question #9

Why is this life like a test? How should we think of setbacks, in light of God’s love for us?
